THE

RECORD OF BAPTISMS.

New-York:

PUBLISHED BY CARLTON & PORTER, 200 MULBERRY-STREET.

This volume contains (1) a Record of Baptisms, and (2) a Record of Marriages

1. The *Record of Baptisms* contains six columns. That on the extreme left contains the date of the baptism. In the second column the name of the baptized person is to be recorded; and, if an infant, the name of its parents or natural guardians. The next column is for the date of the birth of the baptized person, which should always be recorded in the case of Infant Baptism. The next column is for the residence of the party baptized; the next for the name of the officiating minister; and the last, for the names of one or more witnesses. These last are sometimes important in legal questions, and it is well to insert them.

As baptism is the rite of initiation into the Christian Church, this record should be carefully kept, that due care may be taken of the spiritual interests of the baptized persons.

2. The *Record of Marriages* contains six columns, the use of which can be readily learned by inspection. This record also should be kept with great care.

RECORD OF MARRIAGES.

New-York:

PUBLISHED BY CARLTON & PORTER, 200 MULBERRY-STREET.

This volume contains (1) a Record of Baptisms, and (2) a Record of Marriages

1. The *Record of Baptisms* contains six columns. That on the extreme left contains the date of the baptism. In the second column the name of the baptized person is to be recorded; and, if an infant, the name of its parents or natural guardians. The next column is for the date of the birth of the baptized person, which should always be recorded in the case of Infant Baptism. The next column is for the residence of the party baptized; the next for the name of the officiating minister; and the last, for the names of one or more witnesses. These last are sometimes important in legal questions, and it is well to insert them.

As baptism is the rite of initiation into the Christian Church, this record should be carefully kept, that due care may be taken of the spiritual interests of the baptized persons.

2. The *Record of Marriages* contains six columns, the use of which can be readily learned by inspection. This record also should be kept with great care.

ALPHABETICAL LIST OF MEMBERS.

New-York:

PUBLISHED BY CARLTON & PORTER, 200 MULBERRY-STREET.

ALPHABETICAL LIST OF MEMBERS

Table with columns for Name, Residence, Date of Reception, and Remarks.

This Volume contains an Alphabetical List of Members (not Probationers) in the Church. As soon as a person is admitted into full membership, or received on certificate, the name should be enrolled in this alphabetical list, with the residence, date, and mode of reception, and the name of the class-leader. Any change, by death, removal, or otherwise, should be entered in the column of Remarks.

The list should be rewritten every year.

Certificate of the Bishops.

After such examination as our brief time would allow, we hereby express our judgment that a series of uniform Church Records is of great importance, and that those shown to us by Dr. M'Clintock are such as the interests of the Church require.

We earnestly recommend them to the preachers and members of the Church, and hope they will be universally adopted.

- ELIJAH HEDDING.
- BEVERLY WAUGH.
- T. A. MORRIS.
- EDMUND S. JAMES.
