

## *A Note from the Hermon Historian*

*Welcome to the new Trout Lake, Hermon, NY page on hermonhistory.org. We'd like to thank LaVerne Freeman, Edwards Historian, and the members of the Edwards Historical Association for sharing their wonderful file on Trout Lake. It contains historical pictures and narratives which we've included on the page. Also, you will find interesting newspaper articles and other items from our files and research.*

*If you have any comments, we'd love to hear from you. Also, please feel free to let us know if you think a date or name needs correction. We strive to post items as we find them, but can't vouch for their ultimate accuracy.*

*Moreover, if you would like to share your story or family's history of Trout Lake in either pictures or text, please email them as an attachment to hermonhistorian@yahoo.com or stop by at the Hermon History Center. We will be there most Friday's from 11-1, but kindly email before coming to be sure.*
